Military Courses

Military Course ID	ACE Identifier Course Title Location-Description-Credit Areas	Dates Taken	ACE Credit Recommendation	Level
750-BT	AR-2201-0399 V03 Basic Combat Training: Upon completion of the course, the student will be able to demonstrate the skills to perform as a military soldier in a combat environment including tactical navigation, landmine defense, military communications and weapons skills. • First Aid • Marksmanship • Military Science • Physical Conditioning (10/06)(12/09)	21-JUL-2009	1 SH 1 SH 2 SH 2 SH	L L L L
21B10-OSUT	AR-1601-0124 V02 21B10 Combat Engineer: Engineer School Ft Leonard Wood, MO Upon completion of the course, the student will be able to describe mine operations, demolition activities, construction operations, river crossings, and rigging. • First Aid • Marksmanship • Physical Conditioning (8/06)(5/17)	31-JUL-2009 to 06-NOV-2009	1 SH 2 SH 2 SH	L L L
2E-SI5P/SQI7/01	AR-2201-0455 V02 Airborne:	30-NOV-2009 to 11-DEC-2009		

Army Infantry School
Fort Benning, GA

Upon completion of the course, the student will be able to use the parachute as a means of combat deployment.

- Physical Educational-Parachuting 3 SH L

(10/02)(7/12)

4A-F15/030-F17 (AR-2202-0014 V01 01-AUG-2011 to 12-AUG-2011

Route Reconnaissance/Clearance-Operator (GWOT):

Engineer School
Ft Leonard Wood, MO

Upon completion of the course, the student will be able to operate weapons of mass destruction detection equipment and vehicles under varying conditions.

- Weapons Of Mass Destruction Response 3 SH L

(9/11)(9/11)

1-250-C49-1 (DL)AR-0702-0030 V01 03-FEB-2012 to 12-JUL-2012

Structured Self Development (SSD) I:

SGM Academy - Structured Self Development
Ft Bliss, TX

Upon completion of the course, the student will be able to take ownership of learning using Self Development (SDLP) principles; identify principles of effective management and military leadership philosophy; and conduct various military related tasks.

- Leadership 1 SH L
- Military Science 2 SH L

(12/10)(12/10)

600-C44 AR-2201-0603 V02 11-FEB-2013 to 14-MAR-2013

Warrior Leader:

NCO Academy
Ft Richardson AK

Upon completion of the course, the student will be able to function as a junior level leader with essential skills in leadership; training; war fighting; and administration.

- Leadership 3 SH L

(10/09)(9/11)

551-92A10 AR-1405-0238 V05 28-MAY-2013 to 01-AUG-2013

Automated Logistical Specialist:

Quartermaster School
Ft Lee VA

Upon completion of the course, the student will be able to process customer requests; prepare delegation documents; issue items of supply; perform proper handling of HAZMAT, and perform system inquiry processes; process customer supply requests; maintain work center data; and perform fault management processes.

- Computer Applications 3 SH L
- Logistics 3 SH L

(5/10)(8/13)

1-250-C49-2 (DL)AR-0702-0037 V01 10-OCT-2014 to 29-JUN-2015

Structured Self Development (SSD-II):

SGM Academy - Structured Self Development
Ft Bliss, TX

Upon completion of this course, the student will be able to apply effective management concepts; recognize effective communication and interpersonal skills in organizations; describe and employ relevant management processes; apply the planning processes and the military decision-making model; employ the effective use of work teams and individual and group behavior; and assess personnel management theories within the scope of actual practice and a changing environment.

- Introduction To Management 3 SH L

(7/14)(8/24)

8C-F17/553-F5 **AR-0419-0053 V03** 30-NOV-2015 to 11-DEC-2015

Unit Movement Officer Deployment Planning:

Troop Schools

Ft Bragg, NC

This course provides students with instruction in unit deployment planning; unit movement plans; and preparation of hazardous cargo for movement by various modes of transportation (railroad, air, inland waterways). Instruction includes Radio Frequency or Automatic Identification Technology systems, and logistics information systems such as TC-AIMS; and the processes associated with airport cargo movement and rail movement, to include packing, crating, blocking and bracing.

- Fundamentals Of Intermodal Transportation 3 SH U

(6/16)(8/23)

8C-F17/553-F5 (1) **AR-0419-0053 V03** 30-NOV-2015 to 11-DEC-2015

Unit Movement Officer Deployment Planning:

---------------	---	------------	------------------------------	-------

21B10 **MOS-21B-001** 01-JUN-2009

Primary

Combat Engineer:

Engages in vertical, road, bridge, and airfield construction and rigging, bridging, and demolition activities. Has knowledge of the hardware and associated software of the integrated communication system, FBCB2, which enables real-time battlefield communications. Uses system for command, control, and information purposes. Assists combat engineers, bridge, and powered-bridge specialists in performance of duties; reads, interprets, and plots maps, overlays, and photos; assists with tactical operations; and uses hand tools and engineering tools.

- Credit may be granted on the basis of individualized assessment of the student 0 SH L

Credit may be granted on the basis of individualized assessment of the student.

(9/04)(11/10)

12B10 **MOS-12B-005** 01-JUN-2011

Duty

Combat Engineer:

Engages in vertical, road, bridge, and airfield construction and rigging, bridging, and demolition activities. Has knowledge of the hardware and associated software of the integrated communication system, FBCB2, which enables real-time battlefield communications. Uses system for command, control, and information purposes. Assists combat engineers, bridge, and powered-bridge specialists in performance of duties; reads, interprets, and plots maps, overlays, and photos; assists with tactical operations; and uses hand tools and engineering tools.

- Credit may be granted on the basis of individualized assessment of the student 0 SH L

Credit may be granted on the basis of individualized assessment of the student.

(9/04)(11/10)

MOS-92A20
Primary **NONE ASSIGNED** 01-MAR-2012

Automated Logistical Specialist:

The automated logistical specialist is primarily responsible for supervising and performing management or warehouse functions in order to maintain equipment records and parts. Establish and maintain stock records and other documents such as inventory, material control, accounting and supply reports. Review and verify quantities received against bills of contracts, purchase requests and shipping documents. Unload, unpack, count, segregate, palletize and store incoming supplies and equipment. Construct bins, shelving and other storage aids. Simplify and standardize the collection and use of maintenance data. Raise the quality and accuracy of performance, cost and parts data through improved maintenance management.

- None

MOS-92A10
Primary **NONE ASSIGNED** 01-JAN-2014

Automated Logistical Specialist:

The automated logistical specialist is primarily responsible for supervising and performing management or warehouse functions in order to maintain equipment records and parts. Establish and maintain stock records and other documents such as inventory, material control, accounting and supply reports. Review and verify quantities received against bills of contracts, purchase requests and shipping documents. Unload, unpack, count, segregate, palletize and store incoming supplies and equipment. Construct bins, shelving and other storage aids. Simplify and standardize the collection and use of maintenance data. Raise the quality and accuracy of performance, cost and parts data through improved maintenance management.

- None

NONE ASSIGNED -- Occupation not evaluated by ACE or not evaluated during the time frame held by service member.

College Level Test Scores

NONE

Exams taken after 31 October 2011 may have recommended college credit via the ACE National Guide. Go to <https://www.acenet.edu/National-Guide/Pages/Seeking-Credit.aspx> to order your National Guide Transcript with the Test Score Credit.

Other Learning Experiences

This section provides a record of the service member's learning experiences that do not have credit recommended for one or more of the following reasons:

- (1) Course has not been evaluated by ACE.
- (2) Class attendance dates were not recorded in the service member's record.
- (3) Course was not completed during the ACE evaluation period.
- (4) Course was not evaluated by ACE at this specific location.

JST Official Transcript Explanation

The American Council on Education (ACE) is the nation's unifying voice for higher education. ACE serves as a consensus leader on key higher education issues and seeks to influence public policy through advocacy, research, and program initiatives. ACE's Military Programs evaluates formal service courses and occupations approved by a central authority, employing the services of teams of subject-matter specialists from colleges and universities (professors, deans, and other academicians) that, through the discussion and the application of evaluation procedures and guidelines, reach consensus on content, description, and amount of credit to be recommended for selected courses and occupations. For comprehensive information on the ACE Military Evaluation process, consult the Course and Occupation Evaluation Systems, described in the online Guide to the Evaluation of Educational Experiences in the Armed Services at: <http://www.acenet.edu/higher-education/topics/Pages/College-Credit-for-Military-Service.aspx>.

ACE, the American Association of Collegiate Registrars and Admissions Officers (AACRAO), and the Council for Higher Education Accreditation have developed a set of guidelines contained in the Joint Statement on the Transfer and Award of Credit (<http://www.acenet.edu/news-room/Pages/Joint-Statement-on-the-Transfer-and-Award-of-Credit.aspx>) that are intended to serve as a guide for institutions developing or reviewing policies dealing with transfer, acceptance and award of credit for courses and occupations completed in a variety of institutional and extraintitutional settings, including the military. More information on guidelines for awarding credit for courses and occupations appearing on JST transcripts is contained in The AACRAO 2003 Academic Record and Transcript Guide.

Service members may request copies of JST transcripts directly from the Operation Centers at <https://jst.doded.mil>. ACE does not issue these transcripts or make any adjustments to missing or incorrect information contained in them. Service members must contact the respective service specific Operations Centers for adjustments or corrections to the transcripts. Colleges and universities may also receive web-based official copies of these documents by contacting the JST Operations Center at jst@doded.mil.

Understanding JST Transcripts

The full exhibit and description for courses and occupations listed on JST transcripts can be found in the Guide to the Evaluation of Educational Experiences in the Armed Services which is available only online at: (<http://www.acenet.edu/news-room/pages/military-guide-online.aspx>) and updated on a daily basis as new courses and occupations are evaluated for recommended credit.

Key to transcript terms:

Military Course ID - This is the number the military service has assigned for this particular course.

SH - Semester hours.

ACE Identifier - The number ACE assigns a particular course. Courses are identified by a 2-letter prefix that designates the military service (AF - Air Force, AR - Army, CG - Coast Guard, DD - Department of Defense, MC - Marine Corps, and NV - Navy), followed by a unique eight-digit course identifier.

ACE Credit Recommendation is listed in semester hours, in the following categories:

V = Vocational; L = Lower level (freshman or sophomore level); U = Upper level (Junior or Senior Level); G = Graduate level.

Dates Taken/Dates Held - Courses and occupations will normally have a start and end date that will show the time period the course was completed or the occupation was held.

Location - Valid location(s) where the course was completed.

Occupational Codes:

Army MOS:

MOS - Army MOS has 5 digits. The first 3 digits identify the occupational specialty and the last 2 digits identify the skill level (E1-E4 = skill level 10; E5 = skill level 20; E6 = skill level 30; E7 = skill level 40; E8 = skill level 50; E9 = skill level 60).

Navy Rates and Ratings:

NER - Navy enlisted rates are occupation identifications assigned to personnel at paygrades E-1 to E-9. Each general rate involves the performance of entry-level tasks and leads to one or more ratings. Career patterns from recruit to master chief petty officer are identified by 4 to 5-digit codes.

NEC - The NEC Structure supplements the Enlisted Rating Structure by identifying skills requiring more specific identification than that provided by general rates and ratings and that are not rating-wide requirements. Selected NECS have been evaluated by ACE to date.

LDO, NWO - Limited Duty Officer, Navy Warrant Officer - Technical officer specialists who perform duties that are technically oriented, with skills acquired through experience and training that are limited in scope to other officer categories. These specialties are normally identified by 4 digits, each successively providing more precise identification of the individual holder.

Marine Corps:

MCE - an MOS has 4 digits and a descriptive title; the first 2 digits normally describe the occupational field and the last 2 digits identify the promotional level and specialty within the occupation.

MCO - officer MOS.

Coast Guard:

CGA - Coast Guard officer aviation competencies.

CGR - Enlisted rating structure used for classified enlisted personnel and qualifications, with career levels from recruit to master chief petty officer.

CGW - Coast Guard Warrant Officers are technical officer specialists who perform duties that are technically oriented and acquired through experience and training that is limited in scope and relation to other officer categories.

MATMEP - Maintenance Training Management and Evaluation Program, a standardized, documentable, level-progressive, technical skills management and evaluation program for enlisted aviation technical maintenance training. The Summary sheet submitted by the service member lists the current level of training completed and should be used by the evaluator to verify the attained level in awarding credit.

DANTES - The Defense Activity for Non-Traditional Education Support maintains the educational records of the service members who have completed DANTES subject Standardized Tests (DSSTs), CLEP examinations, and GED tests. For examinations administered at military installations, results of these tests may appear on JST transcripts for consideration in the award of the recommended credit. However, individual colleges and universities may reserve the right to request official scores directly from ETS or DANTES, to confirm completion of these exams and the credits recommended.

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP) - The College-Level Examination Program or CLEP provides students of any age with the opportunity to demonstrate college-level achievement through a program of exams in undergraduate college courses. There are 2,900 colleges that grant credit and/or advanced standing for CLEP exams.
